IN RE:

REVIEW OF COGENERATION AND
SMALL POWER PRODUCTION RULES
[199 IAC CHAPTER 15]

DOCKET NO. RMU-2016-0006

APPEARANCE OF ITC MIDWEST LLC

On July 19, 2016, the Board opened this docket requesting stakeholder input on a draft of rule amendments that may be proposed. The Board sought initial comments in 30 days, and reply to those initial comments 45 days after the Board's Order. As the Chapter 15 rules are not directly applicable to ITC Midwest, it did not have initial comments. Because the rules may have indirect impacts on ITC Midwest, however, ITC Midwest intends to monitor the docket and may provide reply comments, participate in any subsequent workshops, or comment on any rules that are subsequently formally proposed. Accordingly, ITC Midwest respectfully requests that it be added to the service list in this docket.

Respectfully submitted this 22nd day of August, 2016.
